

YOU DO **BETTER**, IF YOU...

... collect rubbish instead of shells (grab a basket and bring it back to us loaded)

... do not rent a jet ski

...(beautiful women) cover your shoulders and knees when walking in the village

... do not race through the village on a quad bike

...instead of sweets give banana's or any other healthy food to the children in the village if you want to

... ask before making pictures of any local person or children ("Naweza kupiga picta?")

... don't buy shells on the beach

... skip the dolphin tour

WE LOVE ZANZIBAR.

And you – even you don't follow our advise
